

LOUISIANA BIRD RECORDS COMMITTEE

REPORT FORM

This form is intended as a convenience in reporting observations of species on the Louisiana Bird Records Committee (LBRC) Review List. The LBRC recommends the use of this form or a similar format when submitting records for review to assure that all pertinent information is accounted for. Attach additional pages or files as necessary. Please print or type for hard copy. For electronic copy, be sure to save this file to your computer before entering text. Attach field notes, drawings, photographs, or tape recordings, if available. Include all photos for more obscurely marked species. When completed (if hard copy), mail to Secretary, Louisiana Bird Records Committee, c/o Museum of Natural Science, 119 Foster Hall, Louisiana State University, Baton Rouge, LA 70803-3216, or e-mail electronic copy as an attachment to Paul Edward Conover at <zoiseaux@lusfiber.net> .

1. English and Scientific names: Setophaga nigrescens, Black-throated Gray Warbler

2. Number of individuals, sexes, ages, general plumage (e.g., 2 in alternate plumage):
Only 1 male bird seen. A black and white bird with black streaked sides. Black and White face with gray back. White underparts. Black throat.

3. Parish: Rapides

Specific Locality: 1516 City Park Blvd., Alexandria, LA 71301

4. Date(s) when observed: 11-27-20

5. Time(s) of day when observed: 2:33 pm

6. Reporting observer and city/state address

Reporting observer: Connie H. Guillory
City: Alexandria
State: Louisiana

7. Other observers accompanying reporter who also *identified* the bird(s): N/A

8. Other observers who independently identified the bird(s): Stuart Head, my neighbor has seen the bird on 11-26-20 (Thanksgiving). He is 2 houses down on the bayou.

9. Light conditions (position of bird in relation to shade and to direction and amount of light): Raining at the time of sighting, 67 degrees and no wind.

10. Optical equipment (type, power, condition): Binoculars (Canon 12x36 IS II)

11. Distance to bird(s): 200 feet

12. Duration of observation: 15 minutes

13. Habitat: Very old, tall cypress trees line Hynson Bayou in Alexandria. Bird was seen in our yard, which is 1.5 acres along the bayou. Bird observed in the tops of very tall cypress trees that line Hynson Bayou.

14. Behavior of bird / circumstances of observation (flying, feeding, resting; include and stress habits used in identification; relate events surrounding observation): Foraging and feeding in cypress trees. He seems to be flying with a pack, orange-crowned warbler, pine warbler, kinglets and woodpeckers. The bird never stops moving.

15. Description (include only what was actually seen, *not what "should" have been seen*; include if possible: total length/relative size compared to other familiar species; body bulk, shape, proportions; bill, eye, leg, and plumage characteristics. Stress features that separate it from similar species, *or for species that are known to hybridize frequently, stress features that help eliminate possible hybrids*):

Black and white bird with black streaked sides. Black and White face with gray back. White underparts. Black throat. I did not see the Yellow spot above the lores as bird was too far away.

16. Voice: No calls heard

17. Similar species (include how they were eliminated by your observation):

18. Photographs or tape recordings obtained? (by whom? attached?): No photos as it was raining.

19. Previous experience with this species: First saw this bird on 11-21-20 then 11-23-20 in same location and tree along Hynson Bayou in Alexandria, LA. However, it was higher up in the trees.

20. Identification aids: (list books, illustrations, other birders, etc. used in identification):

I used the reference book *The Warbler Guide* by Tom Stephenson and Scott Whittle

a. at time of observation:

b. after observation: I used the reference guide after observation when I had the pictures pulled up on my desktop.

21. This description is written from:

<input type="checkbox"/>	notes made during the observation.	Are notes attached?	<input type="checkbox"/>
<input type="checkbox"/>	notes made after the observation.	At what date?	<input type="checkbox"/>
<input checked="" type="checkbox"/>	memory		
<input type="checkbox"/>	study of images		

22. Are you positive of your identification? If not, explain:

I am positive of my identification

23. Date: 11-27-20

Time: 3:00 pm Date form submitted?

24. May the LBRC have permission to display in whole or in part this report and accompanying photos on the LOS-LBRC website and LBRC Facebook page?

___ Yes _____

If yes, may we include your name with the report? _____ Yes ___ Connie H.

Guillory _____
